Newsletter Term 2 Week 4

Wunya (Welcome – Gubbi Gubbi)

Dear Parents/Carers,

Cross Country

On Friday some of our 4-6's ran in the Noosa District Cross Country Trials at Noosaville State School. A big thank you to Ibu Anna and Miss Kearin for accompanying the students. The track this year was the wettest and muddiest on record our students effort and behaviour was exemplary.

Congratulations to all our competitors. Kin Kin SS won the Average Points award and Anjali came 3rd in her race and will be representing Noosa District at the Sunshine Coast Trials next month.

Mother's Day High Tea

On Thursday we will be celebrating our mothers at our annual Mother's Day High Tea. Mothers are asked to please bring a cup with them.

If anyone can help in donating eggs or other food items, please see Michelle on Thursday.

Kin Kin State School P&C

Here's your organisation's scheme ID. Keep it handy - share it with your supporters to raise funds and to track your fundraising efforts.

C10607990

Mother's Day Kids Stall

The students have been busy making items for our own creative Mother's Day Stall. These will be available on Friday for the students to choose items for their mums. If all students can please bring a shopping bag or alike so they can carefully store their presents and safely take them home.

Parent Teacher Interviews

We will be holding parent teacher interviews in Week 6. Teachers will contact you in the next few days with their available times.

Kind regards,
Kerryn

- water bottles and fruit each day
- healthy lunch for learning
- homework folders -each Mon
- Thursday - physical ed
- Mothers' day High Tea May 10th
- parent teacher interviews w6/7

Hi families,

☀️ What another wonderful fortnight at school! ☀️

This fortnight in Prep and Year 1, we delved into exciting topics!

In English, we've been honing our fact-finding skills for information report writing. Ask your child which animal their report is on and help them find some information to bring to school please.

Maths has been all about sharpening our number sense.

In Science, we've explored the fascinating world of earthworms and delved into earth resources. Stay tuned for more adventures in learning!
Warm regards,

Ms Michelle and the P/1 team

Year 5/6 News

The Year 5/6's enjoyed a little art & craft
time during their day—nothing better
than getting those creative juices
flowing!

District Cross Country

Congratulations to our awesome, turbo charged athletes who represented our school at district athletics. They all gave it their best & definitely made us proud. A special mention to Anjali for coming 3rd in the 11 year girls race & will be competing at regional cross country later this month. You We wish you all the best. We also won the Average Points shield again—yay, go Kin Kin!!
