Dear Parents/Carers,

It is exactly 4 weeks until **Kin Kin's Got Talent!** It will be held on the stage in the undercover area straight after the **Easter Hat Parade** which starts at **9am** on the last day of Term 1 - **Thursday the 28th of March**. Please talk to your child/ren about whether they will be doing an act and encourage them to start rehearsing for this exciting event. I'd love it if parents got involved this year. Maybe you know how to play guitar and you can accompany your child while they sing or you both sing together - that would be so special! Maybe you could do a circus act or a magic show together! Expect to see lots of singing, dancing and funny skits as we celebrate all of the unique talents that the Kin Kin community has to offer.

To encourage more of the younger years students to be brave enough to hit the stage, the judges will be awarding 1st, 2nd and 3rd prize (a certificate) for Juniors (Prep - Grade 3) and Seniors (Grade 4-6). The Judges will be marking each performance on 4 criteria - Originality and Creativity, Skill and Technique, Stage Presence and Showmanship and Audience Impact.

Please come along and show support by cheering on our little stars.

Kind regards,

Ibu

- Thursday - physical ed

G'day Prep and Year 1 Families,

As we stride into the sixth week of our academic journey, our classrooms have been bustling with exciting activities and enriching experiences!

This week, our young mathematicians swapped pencils for ten-pin bowls, honing counting skills through interactive games.

We explored self-awareness on health, emphasising physical and mental well-being.

Engaging in discussions about narratives and opinions deepened our understanding of storytelling.

Gratitude to Ms. M for filling in, ensuring continuity in our learning.

Celebrating positive behaviours with a class afternoon party filled our classroom with joy.

Warm regards,

Ms Michelle and the P/1 team
